LegalTalk Radio Launch Features Honored, High-Visibility Lawyer

Washington, DC // [LegalTalk Radio](#) conducted LegalTalk Briefcase and LegalPro Profile interviews with Harry G. Deitzler, a partner in the Charleston, West Virginia law firm of [Hill, Peterson, Carper, Bee and Deitzler](#) to use as exemplar programs on [www.LegalTalkRadio.com](#).

A former prosecuting attorney and president of the state prosecuting attorneys' association, Mr. Deitzler entered private practice where he and his partners were recognized as "Trial Law-yers of the Year" for work in a precedent-setting case involving C8 groundwater pollution by corporate giant DuPont in the Parkersburg, West Virginia area. That settlement, valued in excess of \$300 million, resulted in the cleanup of six community water systems and the creation of the largest, most in-depth, medically verified community health study in history.

In total, eight of Mr. Deitzler's individual client cases have resulted in client recoveries in excess of one million dollars. Mr. Deitzler has also taught and lectured nationwide on topics ranging from mediation to litigation.

"Harry Deitzler's colorful experiences and articulate discourse combined to create some out-standing interview shows for LegalTalk Radio," said executive producer Frank Whyte. "We're overjoyed to showcase Harry's interviews as the class standard for [LegalTalkRadio.com](#)."

LegalTalk Radio produces radio shows for attorney websites, allowing lawyers to communicate directly with clients and prospective clients. [Legal Talk Briefcase](#), an issue-oriented show, pro-vides listeners with information and perspectives on topics of interest to legal consumers. [LegalPro Profiles](#) are highly personable biographical interviews of attorneys designed to acquaint listeners with lawyers in a compelling, friendly format.

Launched in 2009, [LegalTalkRadio.com](#) is a venture of Training Services On Demand, Inc., a respected provider of onsite training and consulting services. "LegalTalk Radio is the ideal ex-tension of our onsite communication consulting work," Whyte said. "Our three most senior workshop facilitators are experienced, award-winning broadcasters, so augmenting our enter-prise with an Internet radio channel made more sense than any other form of diversification."

Training Services On Demand ([www.tsod.com](#)) is a growing training and employee development contractor successfully working across corporate and government markets. The company conducts interactive workshops at customer locations for complete teams, ensuring that its programs leverage team insights and produce team-oriented results. From its base near Washington DC, TSOD operates nationwide, providing courses on team building, leadership, time management, stress management, presentation skills, business writing, media relations, and several other popular topics.
